About Rashtriya Raksha University

The University is destined to grow as a model security educational University of India. Its endeavours focus on highly professional security, strategic and defence education, research and training through its qualified civilian and military faculty, committed human resource, motivated participants and students, intellectually stimulating and professional disciplined environment and worldwide network, sharing and exchange. It aims at providing security and strategic education in the contemporary and futuristic security and strategic studies and interdisciplinary areas.

The University contributes to the vision of India of Peace, Prosperous and Stable World in alliance with grand strategic cooperation between like-minded nations and promoting greater understanding between senior military officers, diplomats, civil servants and civilians to promote the cause of the Nation. It adopts a two-tier approach, at the national and international levels, in its education, research, training and extension in order to achieve capabilities to respond to the needs, expectations and aspirations of the security and strategic institutions and forces as well as law-making, governance, judiciary, economy (agriculture-manufacturing-service sectors) and the civil society organisations.
