About the University

Rashtriya Raksha University (RRU) is an Institution of National Importance, a Pioneering National Security and Police University of India under the Ministry of Home Affairs, Government of India. The University was established by an Act (No. 31 of 2020) of the Indian Parliament. The University provides a healthy ecosystem that supports academic- research activities related to every sphere of National Security. The campus offers an engaging environment for professional growth for every person participating in the learning experience. The engagements extend across State and National boundaries, giving every individual a great opportunity to benchmark with the brightest minds.

About the School of International Cooperation, Security and Strategic Languages (SICSSL)

School of International Cooperation, Security and Strategic Languages (SICSSL) offers Masters Programmes in International Relations, Foreign Affairs, Political Economy, and National Security; and Graduate and Masters Programmes in strategic Foreign Languages. The School has a unique syllabus with a specific focus on the external dimensions to India's internal security in the context of its foreign policy in key strategic geographies. The teaching pedagogy involves rigorous training in subject matter and strengthening proficiency in strategic foreign languages. The programs offered facilitate subject matter expertise along with language specialization of key geographies impacting India's National Security.

Concept Note/ Brief Overview of the Workshop

SICSSL will host a five-day Introductory Chinese Language Workshop from 1–5 September, designed to provide participants with a strong foundation in Mandarin Chinese. Taught entirely by native speakers, the workshop offers an authentic and immersive learning experience. It begins with an introduction to the language's structure and phonetics, including the combination of initial and final sounds and the five tones, supported by live demonstrations to enhance pronunciation. Participants will learn basic greetings, self-introduction phrases, and how to express personal likes and dislikes, especially around topics like sports and movies. The sessions also include simple dialogues and pronunciation reviews to reinforce fluency. Learners will explore varied question forms, measure words, and possessive constructions in everyday sentences. Time-related expressions will be introduced, enabling participants to ask and tell time, describe activities occurring at specific moments, and express actions over durations. Through interactive exercises, attendees will gain essential conversational skills and a deeper appreciation of Chinese language and culture.
